

## Application fee for standard permits

You have to submit an application fee when applying for a standard permit. Select the application type that you wish to apply for to find out the application fee.

The application fees are valid until the 31<sup>st</sup> March 2012. If you are submitting an application after this date please contact us on 08708 506 506\*.

1. Fee for waste operations and installations and mining waste
2. Fee for standard alone point source water discharges

### 1. Fee for waste operations and installations and mining waste

Type of standard permit	Application charge
SR2008no27	£700
SR2009no8	£950
SR2010no4, SR2010no5, SR2010no6 & SR2010no11	£700
SR2010no7, SR2010no8, SR2010no9 & SR2010no10	£1,900
SR2009no1	£390
All other standard permits for waste activities and installations	£1,590

For further information please go to our [charging guidance](#)

To submit an application form for standard permit for a waste operation, installation or mining waste you will need to complete Part A, F1 and B1. Please see our [application forms](#) for further information.

### Deployment fees for mobile plant (SR2008no27, SR2010no4, SR2010no5, SR2010no6 & SR2010no11)

Mobile plant are different to site based permits in that they have a simpler permit application process. Before the plant is deployed, a deployment form must be submitted and approved. Some deployment charges are based on risk levels. Risk definitions can be found in table 52 of our [charging guidance](#).

Standard permit number	Risk level of deployment	Deployment fee
SR2008 No27	N/A	£2420
SR2010 No 4	Lower risk Medium risk Higher risk	£400 £760 £970
SR2010 No5	Lower risk Medium risk Higher risk	N/A £760 £970
SR2010 No6	Lower risk Medium risk Higher risk	N/A £760 £970
Sr2010 No11	Lower risk Medium risk Higher risk	£400 £760 N/A

## 2. Fee for standard alone point source water discharges

Standard permit number	Activity	Application charge
SR2010No2	Cooling water 1000m <sup>3</sup> or less per day to surface water only	£885
SR2010No3	Discharging 5-20m <sup>3</sup> per day of treated domestic sewage to surface water only.	£885

For further information please go to our [charging guidance](#).

To submit an application form for standard permit for a standalone point source water discharge you will need to complete Part A, F2 and B1. Please see our [application forms](#) for further information.
