

Section B

# Yalding to Tonbridge

(Allington to Yalding, see Section A Overleaf)

**Size of Craft:** Locks will take up to 24.5m x 5.6m. In normal circumstances the river can be used by craft with 1.2m draught. Any craft drawing more than 1.2m should be able to reach Tonbridge during the summer months, the only doubtful area being just below Sluice Weir Lock which silts up in heavy rains but is dredged clear each spring.

**Navigation:** When in shallow areas keep in the flood water channel by sweeping wide on each bend.

Please note all distances refer to kilometres from Allington Lock.

## SPEED LIMIT – 5 KNOTS
