

Trent Aegir predictions 2010

This is the timetable for the Trent Aegir at Gainsborough. High tides and differing weather conditions can mean that it arrives 30 minutes or so earlier than expected. For approximate times at Stockwith, please take off 20 minutes, and for times at Owston Ferry take off 45 minutes.

Please note that there are no five-star bores this year.

Tidal range	
★	Small – 4.5 to 4.6 metres
★★	Medium – 4.7 to 4.8 metres
★★★	Large – 4.9 to 5.0 metres
★★★★	Extra – Large 5.1 to 5.3 metres
★★★★★	Five-star – 5.4 metres and above
