

# NetRegs

Your guide to environmental law affecting your business

Dear **Subscriber**

## Prepare your business for climate change

Check out a new tool to help you calculate where your business could make changes to adapt to climate change and save money. [Try the tool on NI Business Info.](#)

## Get prepared for spills, leaks and bursts

Do you store or transport potentially polluting materials? [Read the updated pollution prevention guideline \(PPG22\) to help you prepare for and deal with spills.](#)

### Spread the word

Do you know a business that would benefit from staying informed, saving money and going green with NetRegs updates?

**Recommend us to a friend**

### Not your update?

If this NetRegs update was forwarded to you by a friend, **sign up now** for your own update on environmental regulations.

## Cleaning up your neighbourhood

Your district council now has more powers to deal with nuisances such as noise, litter and graffiti. [Find out what the changes in the Clean Neighbourhoods and Environment Act will mean for you.](#)

---

## New code for farms in Wales

A new code of good agricultural practice is now in place in Wales. [Find out what you should be doing on your farm to protect your land and the environment from pollution.](#)

---

## Our guidance is moving

You may have noticed that we now link to our environmental topic guidance on Business Link and other UK government websites for business. We have linked to equivalent pages so you will still find the information you need. [Read more on the changes to NetRegs.](#)

---

## New environmental legislation

Remember you can always check NetRegs for environmental legislation that has come into force in the past 12 months in [England](#), [Northern Ireland](#), [Scotland](#) and [Wales](#).
