

NetRegs

Your guide to environmental law affecting your business

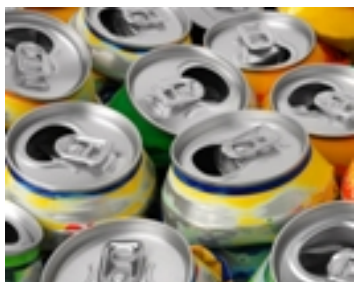

Dear subscriber

Assess how well you comply

Find out how well you're complying with environmental legislation with our new improved online tool. Answer questions about your water use, waste and air emissions, and find out which permits, licences and exemptions you need. [Try the tool on Business Link](#)

Packaging recycling targets set for 2011-12

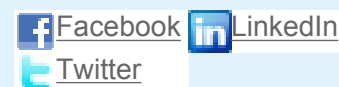

New regulations have set the packaging recycling and recovery targets that you have to meet until 2012. [Find out how to calculate how much waste packaging you have to recycle.](#)

Cash for low carbon cars

You could be eligible for a grant of up to £5,000 towards an electric vehicle for your business. [Find out more about the grant and how you could choose greener vehicles and fuels.](#)
