**DEE CONSERVANCY
NOTICE TO MARINERS**

No. 8 – 2010

RIVER DEE CANALISED SECTION

UNDERWATER OBSTRUCTION

Notice is hereby given that scouring to the south bank of the river opposite the North Training Wall has exposed an underwater obstruction in position Lat 53° 14.309'N Long 003° 05.327'W.

The obstruction may be exposed during low water periods and is a particular danger to mariners following the present course of the low water channel.

The obstruction is marked by a black and red isolated danger buoy showing black double sphere topmark and exhibiting a white light Fl (2) 5sec.

Mariners should give the buoy a wide berth and exercise particular caution when navigating in the vicinity of the obstruction.

***CAPTAIN C.N. HALLAM
HARBOUR MASTER
26th April 2010***
